Hi Naomi,

I hope you are well. Sorry it's taken me so long to write this. I just wanted to say a huge thank you to you and your team for making our special day perfect. It totally exceeded our expectations. Thank you so much for the cheese board that you kindly provided - delicious. We have heard nothing but praise from our guests. The mini fish and chip cones, bacon butties and candy corner went down a storm! Aside from the food, the day ran like clockwork (as far as I could tell anyway - I was on cloud nine) which can only be put down to your fantastic organisation and coordination.

I cannot speak highly enough of premiere crew catering and would only use your company if we needed to organise anything else in the future.

Thanks again and best regards,  
Mr & Mrs Bowring!
